Remedy Saved Her Child—Try it Free

Philip Lloyd, Grandson of Mrs. Jones.

The following are some extracts from letters Dr. Caldwell has received:

"I wish to thank you for the sample bottle of Dr. Caldwell's Syrup Pepsin. My little grandson, Philip Lloyd, had suffered from stomach trouble when I sent for the bottle of Syrup Pepsin. He was suffering all the time and had an acute attack of gastritis. I gave him the medicine, which he said was 'nice,' (he is six years old), and by the time the bottle was empty he was cured. I was so pleased that I want to tell you what a noble remedy you have made.—A. Dr. A. Widow, Mrs. Elizabeth R. Jones, 4125 Perry St., Chicago, Ill.

"I liked the sample of Syrup Pepsin so much that I sent at once to my druggist for two 50c bottles, so I have it in the house regularly. My children like to take it, which pleased me very much as sometimes we have trouble in getting them to take other laxatives.—Chas. H. Reichert, 3101 Jamaica Ave., Richmond Hill, L. I.

"We have received your sample bottle which you sent upon request. I have never had anything in a medicine form that has accomplished anything like yours has. It is simply great. I have already used two bottles of the 50c size after the arrival and using of your sample. Mrs. Katherine Haberstroh, McKees Rocks, Pa.

There are literally thousands of women in this country who gratefully acknowledge that they owe the present good health of their children to the timely use of Dr. Caldwell's Syrup Pepsin. The crying baby usually is constipated or suffers from intestinal trouble due to some error in diet. It needs no heroic measures—just a gentle laxative like Syrup Pepsin. A small dose of it will right the baby. It is a great laxative and digestive, pleasant tasting and non-gripping. No baby or child refuses it. Many mothers never give their children anything else, and they have robust children and no doctor's bills. It is a great money-saver as well as a great life-saver. If space permitted, thousands of women's addresses could be given who write they will never be without Syrup Pepsin in the house. It is for all the family—for any one who realizes that salts and strong cathartics are only temporary expedients. You can buy a bottle of your favorite druggist at fifty cents and one dollar, or if you wish to make a trial of it first, you can obtain a free sample bottle from Dr. Caldwell by sending him your name and address.

Dr. Caldwell does not feel that the purchase of his remedy ends his obligation. He has specialized in stomach, liver and bowel diseases for over forty years, and will be pleased to give the reader any advice on the subject free of charge. All are welcome to write him. Whether for the medical advice or the free sample, address him Dr. W. J. Caldwell, 341 Caldwell Building, Monticello, Ill.

Mrs. J. E. Kennedy's Baby.

The following are some extracts from letters Dr. Caldwell has received:

"I attribute much of my own present good health, and surely that of my baby, to the use of Syrup Pepsin. I always have it in the house, as it is so often needed, and I would not exaggerate its value to me.—Mrs. J. E. Kennedy, 1111 Oak, Okla.

"I received your sample bottle of Syrup Pepsin and also bought a 50c bottle. It is the finest remedy I ever bought for constipation for children. I am very much pleased with it.—Mrs. Ella N. Williams, Wethers, Kas.

"I received your sample bottle of Syrup Pepsin and also bought a 50c bottle. It is the finest remedy I ever bought for constipation for children. I am very much pleased with it.—Mrs. Ella N. Williams, Wethers, Kas.

"About two years ago I sent to you for a sample bottle of your Syrup Pepsin. After taking it I concluded to give the remedy a fair trial for I had been suffering for some time with indigestion. My stomach would not take food as it used to. I could not eat. I commenced taking your Syrup Pepsin, and found it to be a good remedy. I can eat anything I want now. I have found it to be a good remedy for children. I will keep a bottle on my mantel all the time.—Mrs. Ida Fortune, Grand Junction, Tenn.
